

Maintenance work is available at public schools across the North Western and Southern NSW regions.

The NSW Government has committed to the largest investment in planned maintenance of public schools in NSW history. A record \$1.3 billion is being spent on an ambitious delivery program, with over \$100 million being invested to upgrade and maintain school infrastructure in the North Western and Southern NSW regions.

Want to work with us? We welcome all local trade and suppliers to join us at one of our events.
